Re: ***Kathleen Hahn v. RBC Bearings Inc., et al.***
Case No.: 09-cv-1179

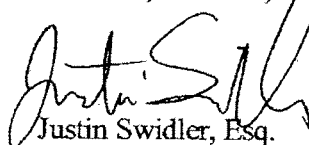

Dear Judge Goodman:

As you may recall, I represent Plaintiff in the above referenced case. I write on behalf of both Parties to request an extension of discovery and all other deadline by sixty (60) days. No previous extensions have been granted. The reason for the request is as follows: The Parties agreed to take only limited deposition discovery prior to the settlement conference in front of Your Honor, which was originally scheduled for December 16, 2009. However, the conference was adjourned twice and is now scheduled for February 2, 2010. With the current discovery end date of February 12, 2010, an extension is needed to ensure that the Parties can keep with their original intention of keeping litigation costs low prior to the settlement conference. It is not believed that any additional extensions will be needed.

The Parties thank the Court for its consideration.

Very truly yours,

KARPF, KARPF, VIRANT & SWARTZ
